

The Illuminati

The Illuminati (x3)

We are the, enlightened ones of higher wisdom,
Our names are, obscured and the owl's our emblem.
Always respect our priests regents and king,
Trust young blood, bringing light and rational thinking.

They promoted a world view reflecting Enlightenment ideals such as rational thought and self rule.

Rosenkreuz in, the year of fourteen twenty two,
Awakening his, revelation was so true.
He possessed, secret wisdom ancient learning,
Bavarian, influences quickly spreading.

One of the six articles of agreement they adopted was that the fraternity should remain secret for 100 years.

Domingo, prophet mystic friend of kings,
Duke Alba, saved her from the inquisition.
Reaching France, Illuminés arising in time,
In hiding, the last few heroes of our line.

In 1798 George Washington wrote a letter addressing the Illuminati threat, they are closer to revolutionaries than world rulers.

By the nineteenth, century we were no more,
Our last light, finally extinguished by law.
Still feared, conspiracies they always live on,
Blame us not for, J F Ks assassination.
